Vinegar

10 mL

Ingredients

Made in Spain from carefully selected wine, this vinegar stands out for its golden color, balanced acetic aroma and distinctive flavor. It contains antioxidant (sulfur dioxide) to preserve its quality. It comes in convenient single-dose sachets to maintain its freshness, ideal for adding an acidic and aromatic touch to salads, vegetables and all kinds of dishes.

Salt

1 G

Ingredients

It is a product consisting primarily of sodium chloride, under conditions that make it suitable for use in industrial and food processes, and which meets the requirements set out in the Technical and Sanitary Regulations for salt (RD 1424/83 BOE 01.06.83)

Contains anti-caking agent (E-535).

Characteristics physicochemical

Qualification	> %99.50 ss
Max. humidity	0.05 g

Pepper

0.2 G

Ingredients

Made exclusively with Piper nigrum berries, picked green and sun-dried until they acquire their characteristic dark, wrinkled color. 100% natural, without additives or chemical treatments, it retains its intense aroma and spicy flavor, ideal for enhancing any dish. Packaged in convenient single-dose sachets to maintain all its freshness and potency.

Honey

15 G

Ingredients

100% natural multi-flower honey, produced by bees from the nectar of selected flowers. This flower honey comes from various regions around the world (including Spain, Argentina, Mexico, Ukraine, Vietnam and China) and is distinguished by its amber color, characteristic sweetness and smooth texture. With no additives or artificial components, it is a versatile, ready-to-eat ingredient, perfect for sweetening and enhancing flavors in a wide variety of recipes.
